MAP COMMITTEE

It's that time again, *map time!*
Our last printing of maps lasted three years, instead of the usual two. We are looking for someone to coordinate this years new map. This task has become relatively simple because most businesses renew each time we go to print. Please email Elaine Tibbetts at ride@cnhsc.com if you are interested in working on this project.

**TRAIL WORK
PARTIES**

WE NEED YOUR HELP!

This summer we have some major projects to complete. With no Hayride to prepare for—please help us out in a different way. The green bridge by Persons Concrete was dismantled on Sat., May 3rd. Stay tuned to Snowblast for when we will be putting it back up.

Next, we will work on re-decking the RR bridges (date to be determined). This is necessary because the planking on the RR bridges has deteriorated.

Thank to the Sunset Grill & Chesley's mini mart for graciously providing lunches for our trailwork parties over the past year.

**THANK YOU
JAY DICKSON &
MARK TROIANO**

Two big THANK YOU's go out to Jay & Mark for the many years that they have served our Club as officers. Both of them put many, many hours into our Haunted Hayrides and other functions. Both Jay & Mark continue to be active volunteers in our Club. We very much appreciate everything they have done for our club and know that they will continue to be there when we need them.

Thanks Jay & Mark!!!

Real or Rumor?

REAL!

We have applied for 2 grants and have been approved for a new groomer! Our plan is to purchase a new Pisten Bully and keep the BR180...so we will have 2 machines! If you think our trails were good last year, just wait till this year!

That said, we are definitely looking for new fundraising ideas. Please put your thinking caps on & email or call us @ 726-4373 if you're available for the Boogie Festival.
